**2017-18 Official Criteria for Hosting a KyNASP® State Qualifying
NASP®/IBO 3D Challenge Tournament**

A 2017-2018 Ky NASP® State Qualifying NASP/IBO 3D Challenge Tournament Must.....

- Be held between October 28th 2017 and February 24th 2018.
(all scores MUST be uploaded by Noon ET on Feb 25th to be considered)
- Follow the official 2018 NASP®/IBO 3D Challenge tournament rules.
- Post your tournament with **NASP®/IBO 3D Challenge** as part of the tournament name.
- Open Flight Selection at least 3 wks prior to the tournament. (to allow everyone an opportunity to see the listing & sign up)
- Have a minimum capacity for a minimum of 100 archers. Have safe entry and exit of audience while shooting is taking place.
- Allow a period of time (minimum of one day) for Kentucky schools to register before archers/teams from other states are allowed to register.
- Have a standard 3D range setup (**including the placement of arrow curtain in an angle formation behind animals**)
 - Lanes must be 5 feet wide with lanes and centers clearly marked on the shooting lines.
 - 2 quivers per target are required
 - Target line, shooting lines and waiting lines must be present and properly spaced. (a waiting area space must be present in front of audience seating)
- Have a minimum of one range official per 6 targets (6 targets makes a single 3D range)
 - Range officials must be adults and non-students. (Certified BAI range officials are preferred. You must have one BAI certified range official on the range at all times)
 - The Announcer can count as one of the officials if they are also working at the targets while students are scoring.
 - All range workers and announcers must be familiar with the NASP®/IBO 3D Challenge Rules and Regulations document.
- Make sure each target has 2 archers from different schools when possible.
 - If both archers at a target are from the same school, a range official must score the target.
 - If only one archer is at a target, the range official must score the target.
 - If both archers at a target are from the same school or there is only one archer at a target, the range official cannot be affiliated with the school the archer(s) attends.
 - All archers must shoot on the same range(s). Schools cannot offer flights at "different" times or locations and restrict those flights to certain groups. For example.... They cannot allow XYZ elementary school shoot in their own gym and use those scores. Or they cannot allow their own host school to shoot at a time not listed as a flight.
 - Range officials must listen and watch students scoring to verify they are scoring with the approved scoring protocol.
 - The intent is to make maintain the integrity of our tournaments.
- Use the <http://nasptournaments.org/> and NASP_Pro.accdb software
- Use official scorecards and scanner.
- Post the results at <http://nasptournaments.org/>
- Charge no more than \$7 per archer. Pay \$2 per archer (who shoots) to NASP®. A printable invoice will be available online after scores are uploaded. (this includes the use of the software and support from Kentucky regional coordinators)

(NASP®/IBO 3D Challenge state qualifier team scores will ranked and posted at the end of each month. The final ranking will be posted at the end of February. The top 10 elementary, top 10 middle, and top 10 high school teams will receive an invitation to the KyNASP® State NASP®/IBO 3D Challenge in Louisville on March 30th and 31st, 2018 and will receive Tier 1 registration)
